

FINANCIAL POLICY for New Country Dental Group

This notice is to inform all our patients of our financial policy. We are pleased and proud to provide you with the best possible care at competitive fees. In order to keep our fees reasonable, we need to minimize the costs associated with billing and collection. The following will help accomplish that goal:

1. If you have no insurance, payment is expected at time of service.
2. If you have non-assignable insurance (i.e. insurance payment goes directly to you) payment is expected at time of service.
3. If you have dental insurance, you are expected to pay your **estimated** portion at time of service and any remaining balance once the claim has cleared.
4. If your balance is over \$500, we offer a 5% discount if paid in full with cash or check; 3% if paid with a credit card (Visa, MasterCard, American Express, and Debit Card).
5. For balances of \$400 or more, you can pay ½ at the start of services and the remaining ½ on completion.
6. Care Credit is available (please ask us about this)
7. Talk to us if you wish to make different financial arrangements. We would be happy to work with you to customize a Financial Agreement for you.
